

Family Funeral Cover

Death of a loved one is a stressful time. To help alleviate some of the stress the Family Funeral Cover benefit is designed to provide quick access to cash to help meet the costs associated with a funeral.

All members of SuperFund, together with their immediate dependents (see table below), are automatically covered under this benefit. Cover continues up until your date of exit from the Fund or on attainment of age 61.

You have complete freedom in how this lump sum is used. You can therefore remember your loved ones according to your own personal, religious and cultural preferences.
