

Dear Member

Thank you for attending our very first OMEGS MS Teams Live Investment Presentation that was hosted on 23 June 2020. We acknowledge that more time would have been ideal. Longer time slots will be scheduled for future presentations.

For those of you who missed the presentation, it was recorded, and you can view it on the OMEGS website at any point in time. We also received some great questions from members and have compiled a useful [Q&A document](#) of the questions that were not answered in the session.
