

## Dear Member

We are now more than halfway through what has been a difficult year for most. The pandemic has not only created a necessary culture change in all aspects of our lives but also accelerated new developments and ways of thinking about the future.

Given the current conditions in our country, we want to reiterate the support that is available to you, as an OMEGS member if you are leaving or retiring in the coming months:

1. You can find out about your options on exit, on the [OMEGS website](#)
2. You have **FREE** access to a **SuperFund Retirement Benefits Counsellor (RBC)**, if you need clarity on any of your available options. Call **0860 388 873** and ask to be put through to an RBC or email them on **SuperFundAnnuity@oldmutual.com**.
3. If you need advice, we would highly recommend that you speak to an **OMEGS accredited Financial Adviser** who will be able to give you holistic advice and provide you with a financial plan.

Lastly, take some time out to read about the how-to's and practical savings advice on the [MiNDSPACE website](#), that can help you make better financial choices every day.

**Stay safe and healthy!**
