

# OLD MUTUAL

## EMPLOYEE GROUP IN SUPERFUND

### Dear Member,

You would have recently received your 2022 OMEGS Member Benefit Statement in your Inbox and may have noticed some discrepancies. We want to assure you that we are urgently attending to this and will be issuing you with a fresh Statement and email shortly. You can expect to see the following changes in your revised Statement and email:

- The email will refer to the Old Mutual SuperFund Pension Fund
- The Normal Retirement Age for Old Mutual Employees is 61 years – your Statement will consistently show this.

We are so sorry for what has happened here and for any concern we may have caused you. We are taking this very seriously and are working through the process to understand how this happened so we can improve.

If you have any questions that you need help with, please contact us, SuperFund, on 0860 20 30 40.

### Kind Regards

**Karen Quinlan**  
Independent Executive Officer
