

# OLD MUTUAL

## EMPLOYEE GROUP IN SUPERFUND

**Dear Member,**

As a participating member in the Old Mutual SuperFund Pension Fund and a permanent employee of Old Mutual, you are entitled to certain benefits which provide you and your loved ones with protection should you, unfortunately, pass away or become disabled while you are a member of the Fund.

You need to make sure that the amount of cover provided is right for you and your family. If you feel it may not be adequate, you may want to consider additional cover outside of the group risk arrangement in your personal capacity. Please consult an accredited financial adviser to assist you with a risk analysis and needs assessment.

The benefits provided by your Employer and Retirement Fund, collectively known as “risk benefits”, are as follows:

- [Group Life Assurance benefit \(approved benefit\)](#);
- [Disability income benefit \(unapproved benefit\)](#); and
- [Family Cover \(unapproved benefit\)](#).

Please refer to the attached document that explains the risk benefits in more detail.

**Stay safe and healthy!**
