## EMPLOYEE GROUP IN SUPERFUND

**Dear ,**

As a participating member in the Old Mutual SuperFund Pension Fund and an employee of Old Mutual, you are entitled to certain death and disability benefits which provide you and your loved ones with protection should you unfortunately pass away or become disabled while a member of the Fund.

These benefits, provided by your employer and Retirement Fund (OMEKS) are collectively known as “risk benefits”, and are as follows:

1. **Group Life Assurance benefit (approved benefit)**
2. **Disability income benefit (unapproved benefit)**
3. **Family Funeral benefit (unapproved benefit)**

Attached with this communication is the Policyholder Protection Rules (PPR) disclosure provided by Old Mutual Group Assurance which sets out the terms and conditions in more detail.

**The Joint Management Committee together with Old Mutual, benchmark the above premium rates to ensure that costs remain reasonable and continue to provide value for money for members.**

**Kind Regards,**

**The Joint Management Committee (OMEKS) on behalf of Old Mutual**
