OLD MUTUAL
EMPLOYEE GROUP IN SUPERFUND

Dear Colleague,

Welcome to the Risk Benefit Survey for the Old Mutual Employee Group in SuperFund (OMEGS).

We are reviewing the risk benefits offered by the Fund and Old Mutual as an Employer. We would like to hear your thoughts on the level and form of the current Death Benefit (Group Life Cover), current funeral cover and potential critical illness cover.

Please take a moment to participate in our survey, which will assist us in gathering insights to guide our decision-making process.
